STAT

FROM: Chairman, National Intelligence Council

The Director has informed me of Linc Faurer's conversation with him asking that you return to NSA. While I regret very much that you will be leaving, I am pleased that your tour as NIO will have been a career enhancing one.

I spoke with Linc yesterday and ~~we~~ ^{he advised me that he already had} agreed that you would report for duty at NSA on 1 October. Because you will not be returning here until early September I wanted to let you know this so you would not be surprised upon your return.

NOTE FOR: Deputy Director for Intelligence

FROM: Executive Assistant to the DDCI

Bob,

1. John would like to have 
back at NSA effective 1 October. As of yesterday, the only people aware of this were the DCI and Linc.

2. John would appreciate any ideas you might have for a replacement. The individual should be very "practical."

Thanks,
